**CITY OF GLOUCESTER 2011
CITY COUNCIL ORDER**

ORDER: #CC2011-024
Councillor Bob Whynott/Joe Ciolino

DATE RECEIVED BY COUNCIL: 05/24/11
REFERRED TO: O&A
FOR COUNCIL VOTE:

ORDERED that the Harbor Patrol Boat be named after Patrolman Stephen J. Amaral and that this matter be referred to the Ordinances & Administration Committee.

Bob Whynott
Joe Ciolino
Councillors At Large

**CITY OF GLOUCESTER 2011
CITY COUNCIL ORDER**

ORDER: #CC2011-008
Councillor Jackie Hardy

DATE RECEIVED BY COUNCIL: 02/15/11
REFERRED TO: O&A
FOR COUNCIL VOTE:

ORDERED that O&A take up the matter of creating language for a ballot question to appear on our next municipal ballot reflective of the recently enacted Water Ordinance and the pending Home Rule Petition related to same that has been fostered through the Council with the assistance of WHO DECIDES.

Jackie Hardy
Councillor - Ward 4

Ballot Question

The Citizen's of Gloucester declare that the water supply, treatment and distribution system owned by the City of Gloucester shall not be sold, leased or otherwise transferred or alienated unless and until the City Council on its own motion submits the question of the sale, lease or transfer of any ownership interest to a vote of the voters for adoption or rejection at a city election.

Summary

The measure requires the city council to ask the voters whether they approve of a sale, lease or transfer of any ownership interest in or of the water supply and/or water treatment and distribution system owned by the City of Gloucester before the council may act on a proposed sale or transfer.

Received by O&A Committee: April 29, 2011

CITY OF GLOUCESTER
OFFICE OF THE MAYOR

June 1, 2011

Michele Holovak Harrison, Esq.
27 Sayward Street, Unit 2
Gloucester, MA 01930

Dear Michele:

Thank you for your interest in serving on the City of Gloucester's **Licensing Board**. I have issued you a 90-day temporary appointment to serve on this board which will enable you to attend and vote at meetings. Please report to the City Clerk's office at your earliest convenience to pick up your appointment card (*copy enclosed*) and be sworn in.

Your appointment will be forwarded to the City Council for their June 14, 2011 meeting and will be referred out to the Ordinance and Administration subcommittee. You will be contacted by the Clerk of Committees as to the date on which the O&A Committee will review your appointment.

Should you have any questions or if you require additional information, please do not hesitate to contact my office.

Again, thank you for agreeing to serve on the Licensing Board. I appreciate the hard work and dedication you and your colleagues on the board offer on behalf of the City of Gloucester.

Sincerely,

A handwritten signature in black ink, appearing to read "Carolyn A. Kirk".

Carolyn A. Kirk
Mayor

Mayor's Office

RE: Appointment to Licensing Board

Dear Mayor Kirk:

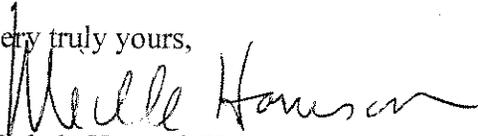

Please have this letter serve as an expression of my interest in being appointed to the Gloucester Licensing Board. Many factors have combined to make this an opportune time for me to make this application.

I am currently winding down my practice of law and for many years have had the opportunity of appearing before our local boards and commissions. Through that experience, I am aware of the important role that they serve in our community and now with my retirement from the practice of law, I will have the time and interest to focus on the many, often complex, issues before the Licensing Board. I served an unexpired term on the Licensing Board from 1991 to 1994 and as its Chairman from 1992 to 1994. I did not ask to be reappointed at the time as an active practice prevented me from making the necessary time commitment to the Board. Now, as a member of the Licensing Board, I can take advantage of more available time, my legal training, my experience as a former member and chair, and my knowledge of administrative law, practice, and procedures.

For me, in this next chapter of my life, it is a time to give back to the community that I have lived in and worked in for the last 40 plus years. I am currently enrolled in a graduate program at Salem State University to teach English as a Second Language and expect to give back by teaching adult language learners. An appointment to the Licensing Board will allow me to give back by volunteering my time, education, and experience to our city in another meaningful way.

Thank you for your consideration of this expression of my interest. A copy of my resume is attached.

Very truly yours,

Michele Holovak Harrison

CITY OF GLOUCESTER
OFFICE OF THE PURCHASING AGENT
REQUEST FOR THE APPOINTMENT OF A BUILDING COMMITTEE

TO: Mayor Carolyn Kirk DATE: 06/08/11

The Purchasing Department is requesting the appointment of a "BuildingCommittee" for the following:

Name of Project: School Roof Replacement Project Contract Manager: Jim Hafey
Location: 9 Dale Avenue Department:: DPW

The Committee shall meet to review the project to be completed on _____
Contract Manager to schedule

The Contract Manager will provide materials and an orientation at the first meeting.

City of Gloucester Charter, Section 5-4, City Building Committee

- a) Composition, Mode of Selection, Term of Office – Whenever an architect, or designer, is engaged by the city, a City Building Committee shall be established for that project, which shall consist of seven members appointed by the mayor for terms of three years each, so arranged that the terms of office of as nearly an equal number as possible shall expire each year, provided however, that upon the completion of any project for which a committee is appointed under this section the terms of all members shall be terminated and the committee dissolved.
- b) In making his appointments to the committee the mayor shall assure representation from the following fields: the construction industry, the building trades, the municipal agency which will be responsible for the facility upon its completion, a person familiar with the use of such facility in general, and three representatives of the public at large.
- c) Powers and Duties – The committee shall be the representative of the city in all dealings with the architect including but not limited to the following: Preparation of bidding documents; supervision of public bidding process; award of contract to the successful bidder; compliance with the program and time requirements of the city; evaluation of the quality, appropriateness and functional attributes of the architect's solution or proposal; periodic meetings with the architect and builder to assure compliance as the project moves forward; review all change orders during the construction phase; and all powers and duties as are necessary and appropriate (Referendum of 11-5-85)

Note 1: Reminder to the Contract Manager and Building Committee: The Open Meeting Law is applicable. Meetings must be posted, minutes kept and filed with all votes recorded.

The following individuals are hereby appointed to serve on the Building Committee for :

CITY OF GLOUCESTER

COMMUNITY DEVELOPMENT DEPARTMENT

MEMORANDUM

TO: Mayor Carolyn Kirk
FROM: Sarah Garcia, Community Development Director *Sarah Garcia*
RE: City Council amendment to off-street parking - Harbor Walk
DATE: June 2, 2011

Attached are detailed drawings of the Harbor Walk layout superimposed upon aerial photography of the area so that the proposed route of the Walk is shown clearly how it relates to the existing conditions.

For consideration by City Council, the proposed final layout impacts parking spaces in two areas along the walkway: in St. Peters Park, and in the Harbor Parking Lot, situated on the southerly side of Rogers Street between Gus Foote Park and 14C2.

A primary purpose of the Harbor Walk is to make clear and inviting the pathway along the waterfront. To this end, the pedestrian pathway will cross St. Peters Park in a more direct line from Main Street to the public wharf. This alignment provides a more comfortable seating area, a rather dramatic entrance to the walk, and directs the path along the outside of the existing bell buoy which now obstructs the way. Representatives of both the St. Peter's Fiesta committee and the Waterways Board see no negative impact to their needs and operations using the park. Approximately five parking spaces along the northeasterly side of the Park, however, will be impacted.

In the Harbor Parking Lot, the Harbor Walk crosses adjacent to the property line of the Gloucester House Restaurant. Currently a narrow sidewalk on private property transverses at this location obstructed by bollards and parking meters, making the sidewalk unusable and inaccessible. Sheet number 6 shows the proposed layout of the 6' wide walk along the base of the Harbor Parking Lot with a 2' planting strip. The proposed walk will cause a loss of three parking spaces.

While the benefits to the Harbor Walk might well outweigh any parking concerns, we are nonetheless working on optimizing other locations to offset the loss of parking and will report on our progress when this matter comes before the Council.

Please forward the attached drawings to the City Council for their review and consideration. We ask that the City Council amend Section 22-288 of the Code of Ordinances, Offstreet parking areas, in regards to the Harbor Parking Lot.

The designers are available to present the final plans to the Council at the appropriate time in their deliberations. Thank you.

Attached: Drawings 1-16, Cambridge Seven Associates, Inc.,
Proposed Ordinance Amendment

Proposed Ordinance Amendment: changes (3) shown in Boldface.

Submitted June 2nd, 2011 from the Community Development Department:

Sec. 22-288. - Off-street parking areas.

The following are off-street parking areas, established in accordance with section 22-191:

Fitz Hugh Lane parking lot, situated on the southerly side of Rogers Street and containing the following:

- (1) 48 angled parking spaces;
- (2) Three parallel parking spaces;
- (3) Two handicapped parking spaces;

as shown on a plan on file in the office of the city clerk.

Harbor parking lot, situated on the southerly side of Rogers Street and containing 99 parking spaces as shown on Drawing No. 30005, dated August, 1957, Whitman & Howard, Engineers, the original of which is on file in the office of the city clerk, and, as amended to 71 parking spaces on January 7, 1997.

Delete: "as amended to 71 parking spaces on January 7, 1997"

Insert: "as amended to 68 parking spaces on June 28, 2011"

Main Street parking lot, 15 spaces including two handicapped spaces with two-hour parking limit, no fee, and hours of operation 8:00 a.m. to 7:00 p.m. with vehicles violating the hours of operation to be ticketed and towed.

Manuel F. Lewis parking lot, situated on the northerly side of Rogers Street and the easterly side of Manuel F. Lewis Road and containing 59 spaces as shown on a plan on file in the office of the city clerk.

Pleasant Street parking lot, located on Pleasant Street between Warren and Middle Streets, containing 34 spaces as shown on the plan by Whitman & Howard, dated August 1, 1966, the original of which is on file in the office of the city clerk.

Town Landing parking lot, situated on the easterly side of Commercial Street and containing 118 parking spaces as shown on Drawing No. 30003, dated August 27, 1957, the original of which is on file in the office of the city clerk.

(Code 1970, § 21-149; Ord. of 1-11-1983, § I; Ord. No. 30-1991, § 5, 9-3-1991; Ord. No. 2-1997, § I, 1-7-1997; Ord. No. 24-1997, § I, 2-4-1997; Ord. No. 50-2000, § I, 2-15-2000; Ord. 51-2000, § I, 2-15-2000)

Sec. 22-290. - Same—Off-street parking areas.

The following numbered parking spaces as shown on plans for each individual off-street parking area are hereby established as parking meter zones, with parking meter restrictions as specifically indicated for each zone in accordance with section 22-212:

Duncan Street parking lot, two-hour, public metered use.

Elm Street, westerly side, from its intersection with Federal Street to its intersection with Main Street.

Fitz Hugh Lane lot, ten-hour meters.

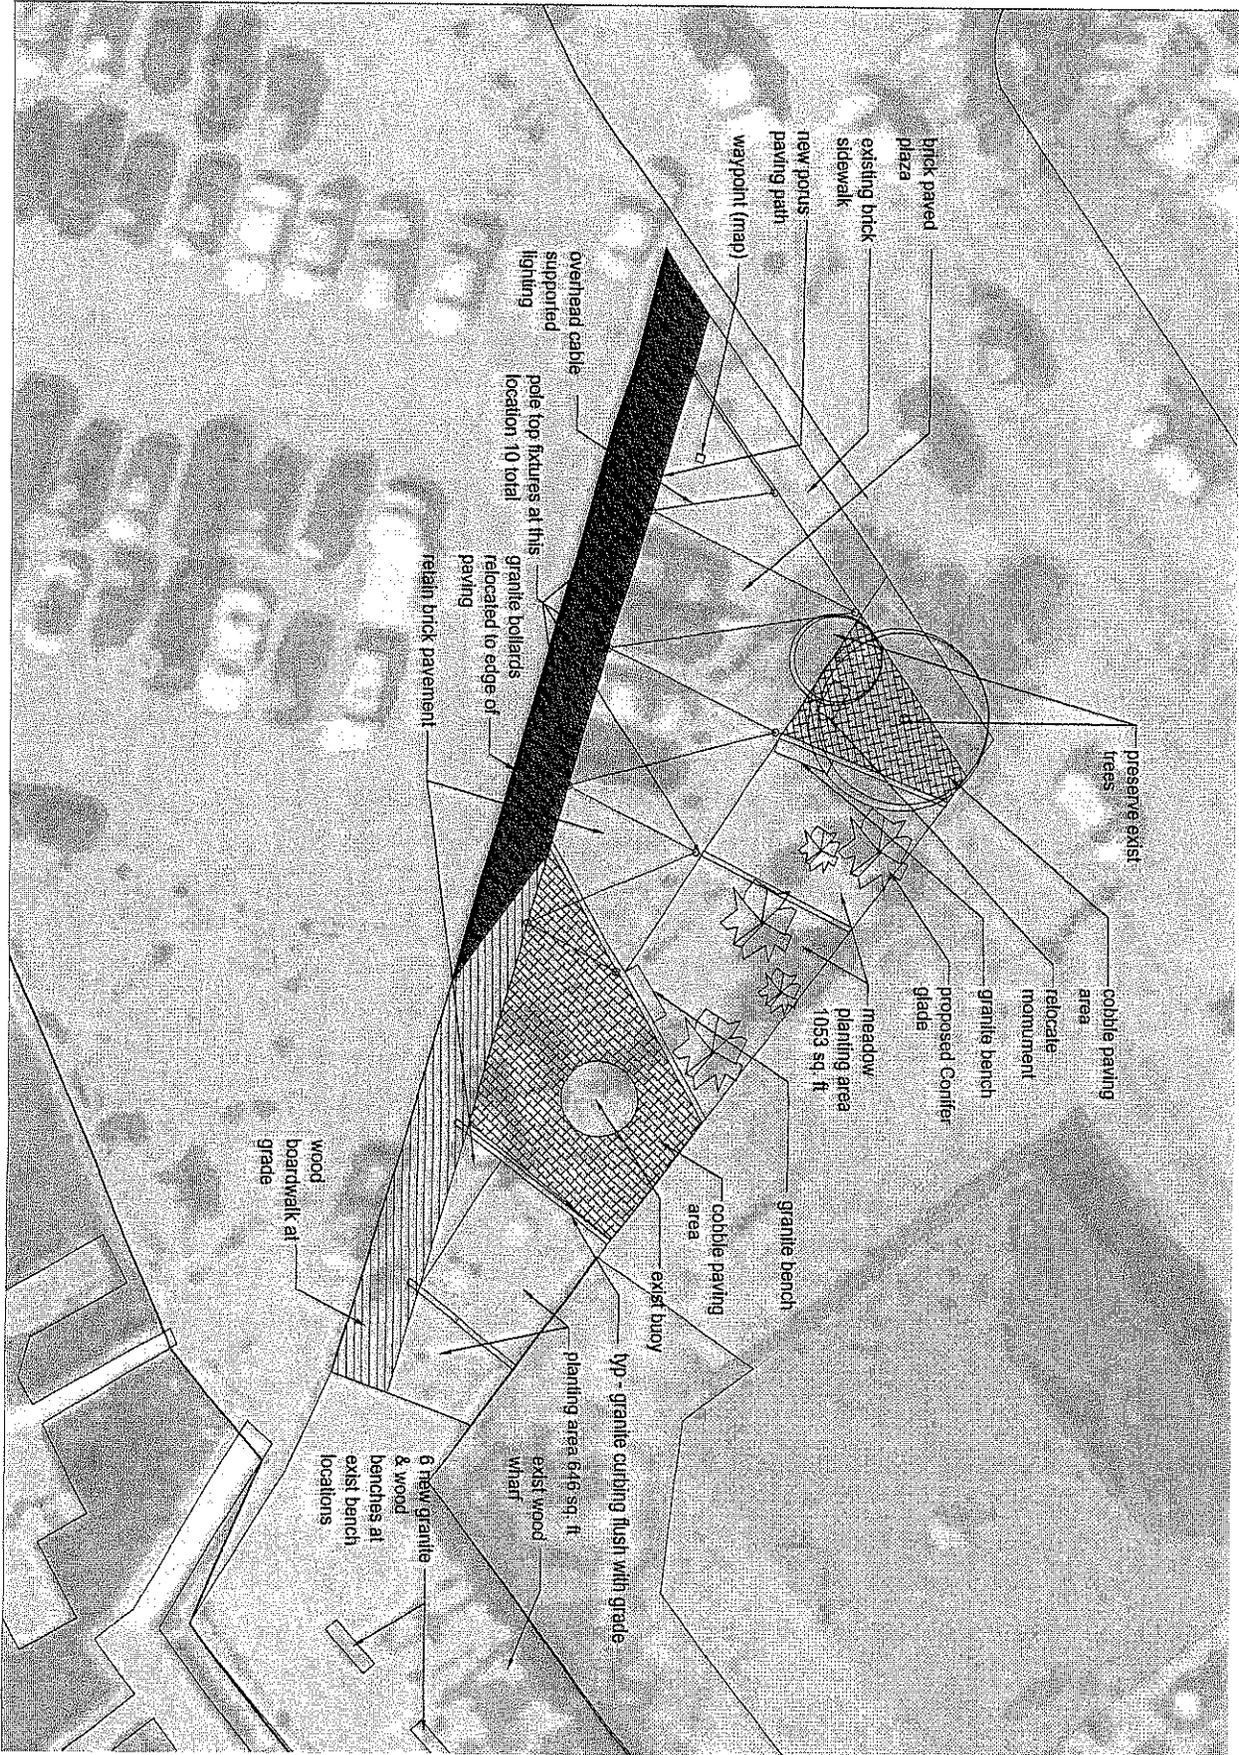

Fort Square, from midnight to 6:00 a.m., beginning at a point on the northerly side from #26 Fort Square to a point 20 feet from the corner of Fort Square, and then from a point 20 feet on the westerly side of #46 Fort Square to a point 20 feet from its intersection with Commercial Street.

Harbor parking lot, for the entire year, as follows:

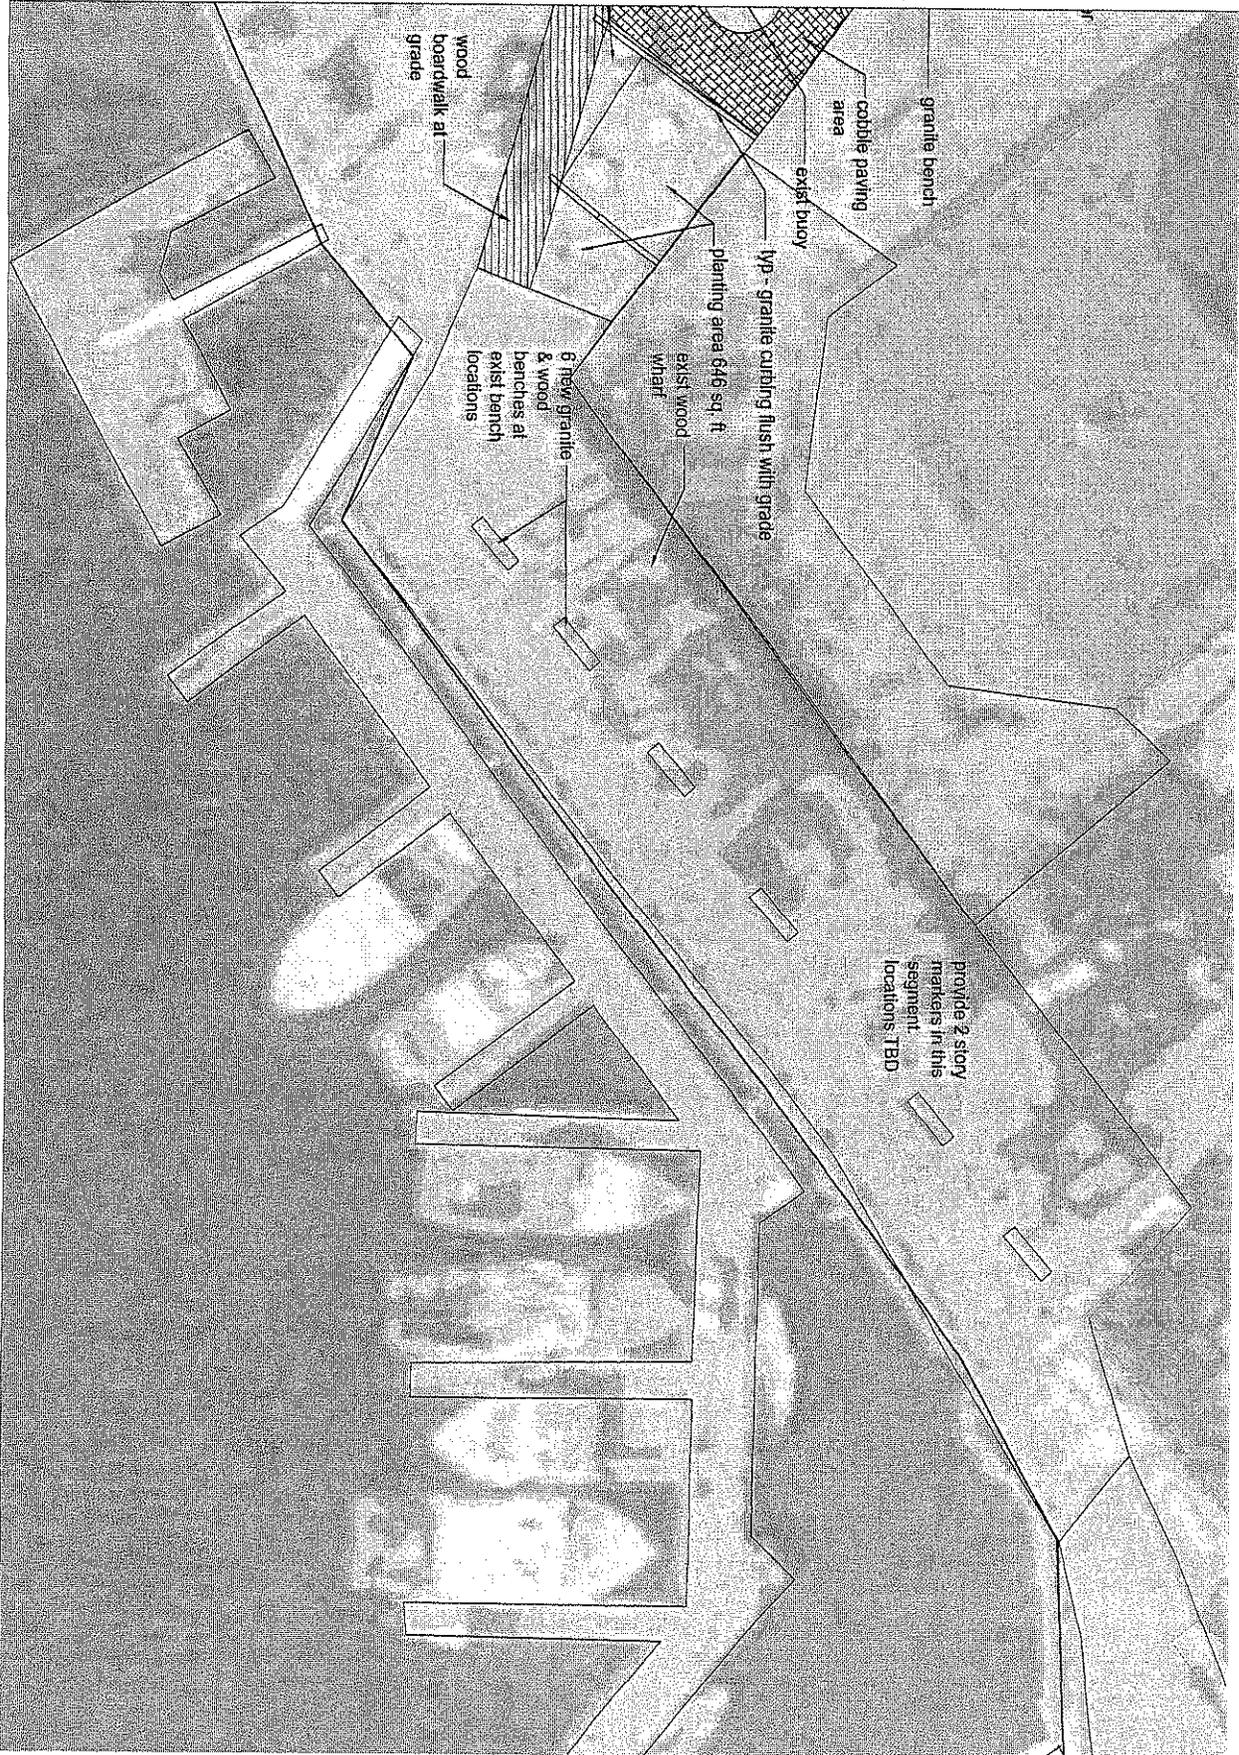

- (1) Spaces one through 65, ten hours; **Delete "65" Insert "62"**
- (2) Spaces 66 through 71, disabled/handicapped. **Delete "66 through 71" Insert 63 through 68"**

Pleasant Street parking lot, from one to two hours.

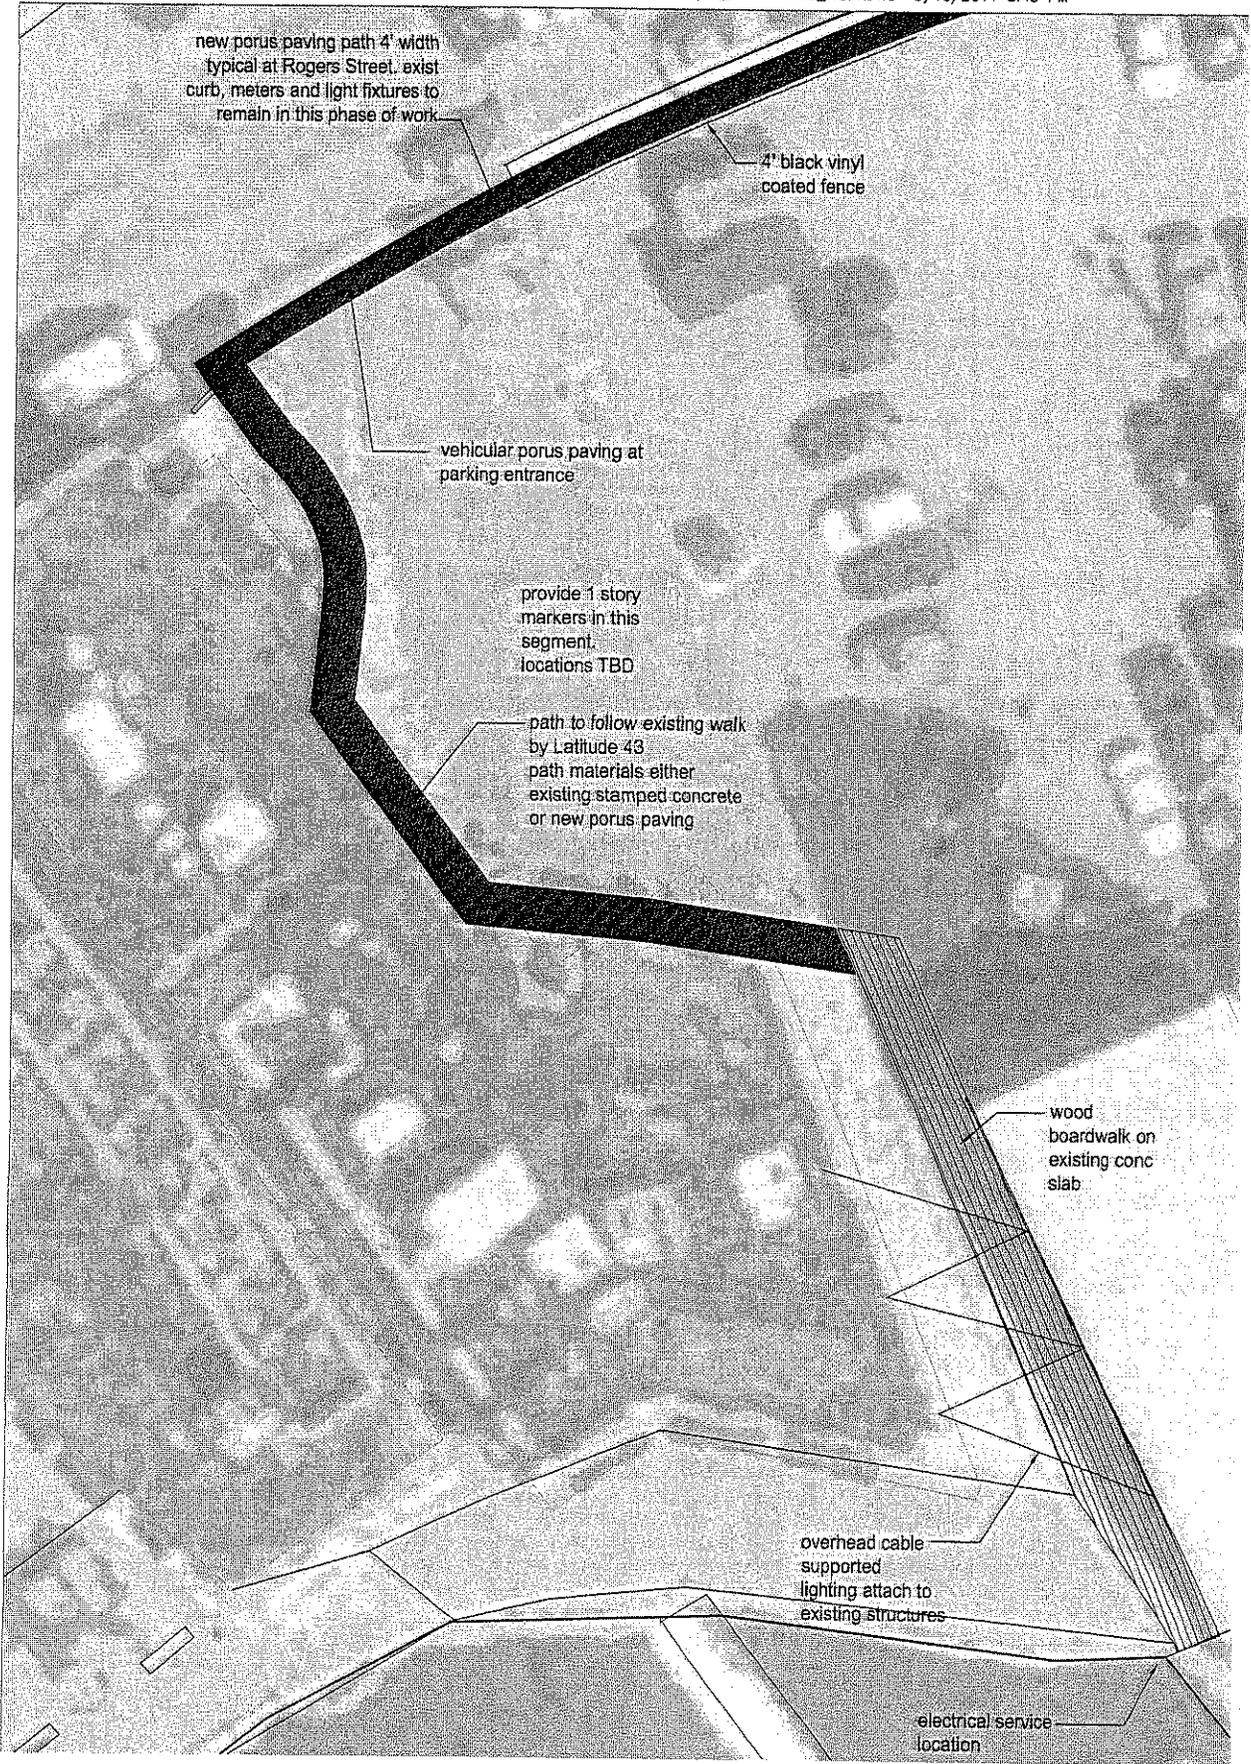

(Code 1970, § 21-165; Ord. of 6-15-1982, § I; Ord. of 1-11-1983, § III; Ord. No. 37-1995, § I, 9-26-1995; Ord. No. 3-1997, § I, 1-7-1997; Ord. No. 19-1997, § I, 1-21-1997; Ord. No. 20-1997, § I, 1-21-1997; Ord. No. 54-2000, § I, 2-15-2000; Ord. of 10-28-2003(02), § I; Ord. of 5-11-2004(02), § I; Ord. of 5-27-2008(03))

Title	Materials					
<p>GRANITE</p> <p>Using local and reclaimed granite is being at goal of the project including: using blocks and cobbles found in DPW yard. Local quarries and sculptors can provide additional native building material. Rough, minimalist worked pieces will tell the story of the Cape Ann quarry tradition. Bench markers and paving pieces will all be done in granite.</p>	 <p>Reclaimed granite interpretive marker</p>	 <p>Reclaimed granite cobbles</p>	 <p>Granite and Wood Bench</p>	 <p>Rockport granite</p>	 <p>Porous paving green/blue mix</p>	 <p>Porous paving green/blue mix</p>
<p>POROUS PAVING</p> <p>Porous Paving is a recycled glass and granite product bound by urethane. It provides excellent drainage for dry stormwater impact and materials can be sourced regionally. If not on Cape Ann, an any surface is as well as durability, drainage, freeze/thaw cycles, color, and Class G granite proportion (20%).</p>	 <p>Porous Paving</p>	 <p>Porous paving installation</p>	 <p>Porous paving green/glass/granite mix</p>	 <p>Porous paving green/blue mix</p>	 <p>Porous paving green/blue mix</p>	 <p>Porous paving green/blue mix</p>
<p>WOOD BOARDWALK</p> <p>A variety of marine-appropriate woods are being considered from tropical hardwoods to more typical marine RT woods. In any choice, the goal is provide continuity with the boardwalks already on the water's edge.</p>	 <p>Wood boardwalk</p>	 <p>Wood boardwalk & timber benches</p>	 <p>Wood boardwalk - tropical hardwood</p>	 <p>Wood boardwalk - heavy timber</p>	 <p>Wood boardwalk - heavy timber</p>	 <p>Wood boardwalk - heavy timber</p>
<p>PLANTING</p> <p>A simple palette of heavy planting species will be employed in the planting areas of the Harborwalk. While selecting and ordering, the contractor should plant in low maintenance species and able to support high winds and battery conditions. Eastern Red Cedar and various panic grasses fulfill the criteria.</p>	 <p>Eastern Red Cedar</p>	 <p>Eastern Red Cedar</p>	 <p>panic grass</p>	 <p>panic grass</p>	 <p>panic grass</p>	 <p>panic grass</p>

CITY OF GLOUCESTER

POLICE DEPARTMENT
197 MAIN STREET
GLOUCESTER, MA 01930

RECEIVED

MAY 18 2011

Mayor's Office

To: Jim Duggan, Chief Administrative Officer
From: Chief Lane
Re: Recommendation for Establishment of School Zone
Date: May 18, 2011

Dear Jim,

During the recent past I have been advised that a dangerous condition exists in the area of Washington St by the Faith Christian School. Parents and administrators at the school have registered complaints with me that vehicles traveling on Washington St have almost struck teachers and students attempting to cross the street in the crosswalk in the area of 384 Washington Street.

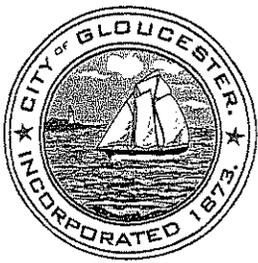

Faith Christian School is a private Christian school run by the Calvary Chapel Baptist Church and has approximately 30 students, many of whom use the crosswalk in the morning and afternoon.

Recently, I asked the Traffic Commission to conduct a speed study of this specific area. The study was conducted from May 8-14, 2011, with speeds of over 72,000 cars recorded in that period of time.

The study concluded that the 85th percentile, which is the standard that the State uses to establish speed limits, is 35 MPH, which is 10 MPH above the posted speed limit.

As a result of this study, I am recommending that the full City Council refer this matter to the Ordinance and Administration subcommittee for discussion as to the establishment of a school zone in the area of 384 Washington St

Please contact me if you have any questions.

CITY OF GLOUCESTER TRAFFIC COMMISSION

9 Dale Avenue • Gloucester, Massachusetts 01930

May 15, 2011

Chief Michael Lane
Gloucester Police Department
197 Main Street
Gloucester, MA 01930

Dear Chief:

Enclosed are speed reports for the most recent study Washington Street in front of the Faith Christian School, Harrison Avenue with a speed of 25mph already established, Fuller Street in Magnolia and Munsey Lane in Lanesville.

You will note that the 85th percentile, the standard the State uses to establish speed limits, for Washington Street is 35mph, ten (10) mph above the posted speed limit for that stretch of road in front of the Church and unsafe for a school area. I recommend that you propose to the City Clerk that a school zone be put forth for the area. The study was conducted for one week and the Radar Recorder captured the speed of 72,907 automobiles at all hours of the day. The unit is paying dividends to the City already. You may want to share this information with Lt. Aiello. I am sure he is going to be very impressed.

Lastly, after downloading the speed counts on Washington Street Sunday morning, I placed the Radar Recorded on a pole directly across the street from 282 Magnolia Avenue per your request. I will forward the report just as soon as it is complete. In addition, the unit will be set up on Holly Street per the request of Jackie Hardy if the Department has not yet done the speed study. The Councilor request was made back in July, 2010, and she is looking for a study.

Let me know if you have any questions or if I can do anything else to assist your Department.

Respectfully,

Robert B. Ryan, Chairman
Gloucester Traffic Commission
