**AGENDA**

Order #CC2012-011 (Councilors Verga & Hardy) Ordered that the O&A and the Traffic Commission review Sec. 22.270.1 (Resident Sticker Parking Only) as to whether recent increased parking in these areas warrants the creation of a 'RESIDENT STICKER', and amend or create a new ordinance accordingly. This sticker would be distinct from the current 'Beach' sticker and further

Ordered that the new 'Resident Sticker' be made available to all residents at cost

Background: Over the past two years, a number of neighborhoods have been made into 'resident only' parking areas. A number of complaints have resulted from longtime residents who feel they should not be forced to purchase a 'beach' sticker just to park near their homes. The creation of a 'Resident' sticker could be made available at a more nominal fee (at cost) which would allow parking in these areas. A traditional 'Beach' sticker would still be required to access parking lots which charge a fee to non-residents.

Order #CC2012-013 (Councilor McGeary) Ordered that the GCO Section 22-159 (Parking prohibited between certain hours and certain days) be amended by adding a new subsection (3) as follows:

Davis Street Extension beginning at the northwest corner of 3 Davis St. Ext and continuing southeasterly on the southern side for a distance of 75 feet. Between the hours of 8am-9am and 2pm-3pm on school days.

Order #CC2012-014 (Councilor Verga) Ordered that the GCO Section 22-269 (Stop intersections) be amended by ADDING:

Castle View Drive at the intersection of Sea Fox Lane.

(two signs being requested)
