**Regulations Review Committee
Harbormaster's Office
19 Harbor Loop
Gloucester, MA 01930
March 22, 2011**

Present: Phil Cusumano, Tony Gross, Cate Banks

Also Present: Mark Ring

Chairperson Banks called the meeting to order at 5:02 P.M.

Item 1: Phil Cusumano noted that the fees charged for the City Owned Commercial Marinas are not listed anywhere. Mark Ring, a tenant at St Peter's marina, said that the facilities are nice but that some boats are never used and one slip is vacant. Tony pointed out that we should have a "habitual use" section of the regulations.

There was a discussion of different ways to determine if a vessel is being actively used for commercial fishing and there seems that more research is needed.

Cate Banks handed out some sample regulations to begin working from. The committee managed to rough out language for 4 of 7 proposed sections to Article VII, which to this date has never had any text. Work will continue on this Article.

Meeting adjourned at 6:33 P.M.

Respectfully submitted,

Cate Banks
