Harbormaster's Office
19 Harbor Loop
Gloucester, MA 01930
February 24, 2011**

Present: Phil Cusumano, Tony Gross, Cate Banks

Chairperson Banks called the meeting to order at 4:00 P.M.

Item 1: Cate Banks reported that the proposed changes to Gloucester Code Chapter 10 have been continued to the next scheduled O&A meeting with a few changes. All is looking good with that progress.

Items 2-4: The committee reviewed the proposed wording for Article VI Section 4D and agreed that more research is needed for the Cripple Cove dinghy dock. It was agreed that Article VI Section 4E (3) has been completed. Article VI Section 4 F (b) to be amended to allow transfer with the mooring if said is being transferred within the immediate family, only.

Item 5: Began work on Article VII City Owned Public Marinas. Cate provided a copy of the marina regulations for the Jodrey State pier and Phil provided a contractor license adapted from the Cape Ann Marina. There was a long discussion on how to organize and write regulations for these facilities. It was agreed that we would view them from the historic point of view as having been created for use by commercial fishing vessels.

Meeting adjourned at 5:30 P.M.

Respectfully submitted,

Cate Banks
