19 Harbor Loop  
Gloucester, MA 01930  
December 12, 2009**

**Present:** Tony Gross, Dave Murray, Cate Banks, Phil Cusumano, Jim Caulkett

Chairperson Banks opened the meeting at 7:00 P.M.

First order of business was a presentation by Jim Caulkett about the proposed rebuilding of the public facility at Solomon Jacobs pier.

Next the committee resumed work on Article IV Section 5 Mooring Installation and Maintenance Standards. Several draft paragraphs had word changes and phrasing additions.

Phil offered to create a sample page for paragraph "G" to show how the mooring tackle charts will look within the written regulations.

All were in agreement that Section 5 looks good and we moved on to section 6 Personal Moorings. Paragraphs A through C were discussed before we adjourned.

Meeting was adjourned at 8:27 P.M.

Respectfully submitted,

Cate Banks
