**Regulations Review Committee
Harbormaster's Office
19 Harbor Loop
Gloucester, MA 01930
November 17, 2009**

Present: Dave Murray, Phil Cusumano, Tony Gross, Cate Banks, Jim Caulkett

Also present: David "Dirt" Murray

Chairperson Banks opened the meeting at 7:00 P.M.

The committee talked with Dirt Murray quite extensively about the proposed mooring tackle chart. In general, Mr. Murray is in agreement with the specifications that have been drafted. He further explained that he advises clients against the use of mushroom anchors for the mooring weight and that there are some mooring areas where the proposed scope and pennant lengths would be impractical.

Jim reported that at present there are 239 mushroom moorings and 15 Helix moorings in use.

The committee agreed to work on the wording of the regulations to cover these concerns.

The committee also agreed to accept the new wording of the wait list clause Article IV Section 3 D as provided by Tony.

Meeting adjourned at 8:42 P.M.

Respectfully submitted,

Cate Banks
