**Regulations Review Committee
Harbormaster's Office
19 Harbor Loop
Gloucester, MA 01930
October 27, 2009**

Present: Dave Murray, Tony Gross, Cate Banks, Jim Caulkett

Chairperson Banks opened the meeting at 7:00 P.M.

The committee began with discussing Dave Murray's proposal for using rope in the mooring tackle and it was agreed that we would not use rope in the specifications.

We decided to divide the mooring specification charts into two groups: protected/semi protected and exposed.

We agreed that we need to discuss the proposed mooring charts with the full board considering the specifications that had been voted for the new mooring field in South East Harbor.

Meeting adjourned at 8:37 P.M

Respectfully submitted

Cate Banks
