Harbormaster's Office
19 Harbor Loop
Gloucester, MA 01930
October 20, 2009**

Present: Dave Murray, Cate Banks, Jim Caulkett

Chairperson Banks opened the meeting at 7:00 P.M.

The committee returned to notes made from the Waterways Board meeting for some clarification.

Next we began work on Section 5. The mooring areas were divided by their exposure. Dave Murray discussed the idea of using rope rather than chain in the "top chain" portion of mooring tackle. Jim offered to inquire with the local mooring companies about that question. He also agreed to consult with them about their practices in general.

Cate offered to begin drafting the wording for Section 5.

Meeting adjourned at 8:00 P.M.

Respectfully submitted

Cate Banks
