First Order of Business: 75 Middle St. Realty Trust, known generally as the Colonel Joseph Foster House

Presenter: Mr. Edward Pasquina, Esquire

Presentation and discussion regarding their application for replacing clapboards and cornerboards as needed. Mr. Pasquina explained that he had been doing basic maintenance on the building when he and the painters discovered rot that required replacement of a larger number of clapboards than expected. He will replace the boards with wood. After a brief question and answer session, Steve Goodick moved to approve, Nancy Goodick seconded. The Committee voted and unanimously approved:

- A Certificate of Appropriateness for the activities as described in the application, to replace clapboards and corner boards with wood as needed.

Second Order of Business: Discussion of the Certified Local Government

Presenter: None—Internal discussion

Because a number of members were not present, Committee Chair, David Porper recommended that the discussion be tabled until the next meeting. Some basic discussion occurred to answer questions about the Committee's history with the CLG but all members felt that the larger in-depth discussion would benefit from more members being present.
