## WOULD YOU DRIVE A MILE TO SAVE A LIFE?

The American Cancer Society's Road to Recovery® is a free program that provides local cancer patients with transportation to and from their chemotherapy and/or radiation treatments; volunteer drivers donate their time and use of their cars so patients can receive their lifesaving treatments.

## Training & Information Session:

Thursday, January 24, 2013 10:00 a.m. - 12:00 p.m.

Addison Gilbert Hospital 298 Washington Street Gloucester, MA 01930

Longan Room (use Washington Street entrance)
