

Do you care about the future of housing in Gloucester?  
Join us to identify housing issues and develop strategies to address them.

# Gloucester Housing Production Plan Public Forum

**Wednesday, January 27, 6:00 pm-8:00 pm**

City Hall Kyrouz Auditorium  
9 Dale Avenue

## Why a Housing Production Plan for Gloucester?

The Metropolitan Area Planning Council (MAPC) is working with the City of Gloucester to develop a Housing Production Plan (HPP) that will guide market-rate and affordable housing preservation and creation. The HPP will also help the City meet the State-mandated affordable housing target. Overall, the plan may influence the type, amount, and location of affordable housing in Gloucester.

## Meeting Agenda

We are seeking the public's input to better understand local housing issues and establish housing goals. Please join us for our first of two public forums, where we'll discuss:

- The Housing Production Plan as a tool to maintain and increase affordable housing opportunities in Gloucester
- Regional demographic context
- Local housing needs and demand
- Housing opportunities and challenges in the City
- Housing goals for the future
