## Have a College Student Returning Home?

If yes, make a plan for their return and help stop the spread of COVID-19 in Gloucester. **Even if your child had a negative test before coming home, this does not mean they are free from COVID-19.** Take precautions within your household and be on the lookout for COVID-19 symptoms.

### College Student Returning Home

excluding lower risk states

- Complete a MA Travel Form AND
- Either have a negative PCR COVID-19\* test within 72 hrs before returning home/when home OR
- Quarantine at home for 14 days OR
- Are exempt based on this list

**\$500 fine per day for failure to comply**

\*You MUST quarantine while waiting for your test results. Positive PCR will be managed by Health Dept

### Family\*\* Picking up College Student

and staying >24 hours excluding lower risk states

### Precautions to consider for 14 days after returning home

- Stay Home
- Wear a mask when you are unable to distance (even at home)
- Create distance during meals (eat outside when possible); open windows to create airflow
- Sleep in a separate room and use a separate bathroom if possible or disinfect any shared spaces after use

### Help Stop The Spread

- Practice social distancing and wash hands frequently
- Wear a mask with anyone outside your household, even outdoors
- If you must ride in a car with someone outside your household wear a mask and open windows for airflow
- Just Say NO to Parties! Gatherings with those outside your household are not safe
