## OPEN SPACE AND RECREATION PLAN UPDATE

The City of Gloucester with the assistance of the Metropolitan Area Planning Council (MAPC) is preparing an Open Space and Recreation Plan (OSRP). This OSRP is an update to Gloucester's 2011 Open Space and Recreation Plan and will serve to guide the City's decisions on open space and recreation activities for the next seven years. The City and the Open Space and Recreation Committee invite you to join us for a virtual meeting and open house to give your input into the development of this plan. This will be the first of several opportunities during the update process to learn more about the OSRP and to provide input. Please register for the Live Presentation using the [Zoom link](#) below. If you can't join us for the Live Presentation, we will be publishing a link to the recording and the Virtual Open House on the City's [Open-Space-Recreation-Committee](#) web page where you can view content and provide input any time from Apr 26 through May 10.
