RE: Addendum to Mayor's Report for the January 11, 2022 City Council Meeting

Members of the City Council:

In these early days of my administration I am working through the incredible list of residents who have volunteered their time to serve our great city. As you know, volunteers are critical to keeping this government and this City running and we are grateful for their service. I submit for your consideration this first group of reappointments. I hope you will confirm these reappointments and agree that their experience will serve the City well.

Please refer these matters to the Ordinance and Administration Standing Committee for review and approval.
