Next Board of Health Meeting – October 6, 2022

Consistent with Ch. 107 of the Acts of 2022, this meeting will be conducted by remote participation. The public may not physically attend this meeting but every effort will be made to allow the public to view and listen to the meeting in real-time and participate when necessary.

Additionally, all votes taken by the Board of Health during this and future remote meetings will be by roll call vote. If you are calling in on a phone you can press Star 9 (*9) to request to speak.

If you are watching on a computer or device, there is a “raised hand” button that you can tap or press to request to speak. Please use either of these options during oral communications to be recognized to speak

The listing of matters is those reasonably anticipated by the Chair which may be discussed at the meeting. Not all items listed may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.

NOTE: Order of agenda can be modified at Board's discretion
