The fund raising subcommittee has wound down active fund raising and is contemplating raffling the last few paintings at our next function. Except for some income from donation jars at stores and sales of T shirts and stickers, no income is coming in at present. We have sufficient cash on hand to provide coffee at Saturday construction sessions and approximately \$19,000 in the Gloucester fund for building materials. The committee is up to date on thank you messages.

Sheathing is proceeding and Russell Hobbs is working on windows. We need roll roofing, which is stored at the DPW, on site oo Saturday and Arnie Shore is arranging that with Jim Hafey. We need skilled carpenters this Saturday for installing roll roofing.

Our next meeting will be at the City Hall Annex, Pond Road on October 29, 2012 at 2 PM.

The meeting adjourned at 2:20 pm.
