5. Contacted by new Healthy Lifestyle Coordinator at Cape Ann YMCA
"I am working to put together a CAY Senior Club here at the Y for YMCA Senior Members and I wanted to reach out to you and hopefully meet to talk about what the Senior Center offers to our local Seniors. My plan for the CAY Senior Club is having scheduled game times, movie nights, local field trips, etc to go along with the great classes we offer. It would be great if we could work together to create another great program for our local seniors."
