Document No.	23115	Addenda No.	2	Date Issued	4/19/23
--------------	-------	-------------	---	-------------	---------

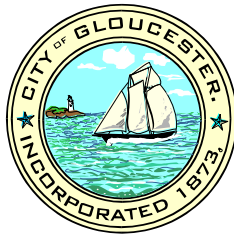

Document Title	New Fencing at Burnham's Field
No. of Pages	2

TO: **All Interested Parties**
 FROM: **Stacey Capone**
 DATE: **April 19, 2023**

Reason(s) for Addendum: This addendum is being issued to respond to the questions asked via email.

Question #1	Can the time frame be extended 45 days? Getting materials right away may be a challenge
Response	Reviewing extension (Partial Grant Funding)
Question #2	What gauge wire would you like?
Response	We are requesting 6 gauge wire
Question #3	What size concrete bases are desired?
Response	6' tall - 12" x 36" base *** 14' tall - 12" x 48" base
Question #4	What diameter posts would you like?
Response	6' tall post – 3" Termination, 2 ½" Line Post *** 14' tall – 4" Term, 3" Line (all Sched 40 Pipe)
Question #5	Specs call out "Band-IT" ties, can we install aluminum or steel ties instead?
Response	Ties are acceptable (Band-it was spec'd for the back stops – not in this project)
Question #6	Are there any penalties on timing is not complete by the deadline?
Response	Reviewing extension (Partial Grant Funding)
Question #7	Can the fence post be "driven" instead of using concrete footings?
Response	We are requiring all posts to be set in concrete
Question #8	On the takedown. Do the concrete pads from existing fence have to be removed
Response	We are requiring the fence, posts and concrete to be removed as part of the demolition

Question #9	In the areas where the fence goes through the asphalt, do you want asphalt replaced or concrete to finish the grade?
Response	Any areas disturbed should be finished to match existing condition with like materials.
Question #10	Can material be kept on site in a contained area?
Response	Yes, materials may be stored in a designated area.
Question #11	Is the double drive gate on the north side being replaced, are there any other gates to be installed?
Response	No, the gate is to be removed and not reinstalled.
